This Standard Work on the Chinese Language, constructed on the basis of English, Imperial Dictionary, contains nearly all Chinese characters in practical use, and while alphabetically arranged according to the sounds of the oldest dialect of China, the Cantonese, it gives also the Mandarin pronunciation of all characters explained in the book, so that its usefulness is by no means confined to the Cantonese Dialect, but the work is a practically complete Thesaurus of the whole Written Language of China, ancient and modern, as used all over the Empire, whilst its introductory chapters serve the purposes of a philological guide to the student.
A Supplement, arranged for being bound in the Imperial Dictionary, contains a List and used by itself, and containing a List of the English, an Index, and a List of Surnames, is published and sold separately.

FIRE BRICKS OF SUPERIOR QUALITY FOR SALE.

PRICE, \$30 PER 1,000.

The following Testimonial has been received from F. W. GROSS, Esq., Manager, HONGKONG AND CHINA GAS COMPANY, LIMITED:—
"I have herewith much pleasure in testifying to the quality of the Fire Bricks as made by you at your new works."

In appearance the Brick is light and soft and compared with the ordinary Fire Brick used in the Colony, but this I may say is characteristic of the best English Fire Brick.

"After a very severe test I have no hesitation in saying that this Brick is admirably suited to resist any degree of heat that it may be likely to undergo and for all purposes that Fire Bricks are used for."

"I am now about to build into one of my Furnaces and have no doubt of their being able to stand as well as the English Fire Bricks I have been using."
